## New for 2020

At Presentation Box + Display sustainability, branding and being a sustaining resource has been a driving force internally or years. Internally it has always been important to us that our products are made of recycled material and we champion that fact that jewelry packaging is reusable by the end consumer.

Ultimately making sure your store or brand name resonates with yourcustomer for years to come through their packaging has been our main goal. We view ourselves as an extension of your brand and a sustaining resource not just through the products we sell but the knowledge we provide you.

To ring in the new decade we want to educate our customers on which of our products are green, sustainable, and domestically made. As always we offer free logo imprinting and have a wide range of customizations available to create exactly what you need. In 2020 there is one thing you can count on - Presentation Box + Display is here to make your life easier!

## Made From Recycled Materials

Products with our recycled symbol indicate that this product is made from recycled materials. The recycled content can vary product to product, ranging from $30 \%$ to $99 \%$. To find out specific details about this product, please contact our customer service team.

## Recyclable

Products with the recyclable symbol indicates that this item can fully be recycled in accordance with local regulations.

## Re-Usable

Products with this symbol have been designated by the ITC (International Trade Commission) to be long-term use keepsake product that is not normally added to the waste stream. These products are recognized to be kept \& re-used by the consumer.

## Origin Sticker \& Tariff Free

Products having no import surcharges which add to their higher costs. In addition these products do not require a country of origin marking (i.e. "Made in China") that is required by law to be applied until the product has been delivered to the final customer.

## Sustainable

Products that are termed Sustainable means they are produced and use methods, systems and materials that won't deplete resources or harm natural cycles.

## Custom Design Available

The possibilities are endless when you create Custom Packaging with us. Create the custom look for your brand with our team of experts. With years of industry knowledge we can guide you through style and material choices, while making sure your product is created on time, and keep you within budget. Combine this with our FlexShip program and you have a winning solution.

## FREE Logo

Printing your logo in one of our boxes is always FREE. Our favorite method of printing is Hot Stamping, creating a classic eye catching look for your packaging. With Silver and Gold two of the most popular foil options we have many other colors to choose from. Contact us to get started.

## Made in the USA

Products with this designation have been proudly made in the United States of America!

## WHAT IS REQUIRED FROM YOU:

1. FILE FORMAT

HIGH resolution (300dpi) file formatted in either a PDF or EPS generated in Adobe Illustrator is considered to be VECTOR artwork allowing it to be editable and resized without degrading the quality (clarity of the logo.) Customer artwork MUST be submitted via email.

- JPEG, TIFF, PSD or GIF files will NOT be accepted as these are not editable.
- Artwork pulled or copied from a website can NOT be accepted.

## 2. BLACK \& WHITE

Logo artwork and/or text must be solid black on a WHITE background. Logo must NOT have any tints, screens or gradation. PC files are preferred. MAC files are accepted.

## 3. LOGO DESIGN

Your logo must be submitted sharp, solid and with clean edges. If there are too many intricate details we will NOT be able to produce a die of your logo.

## 4. LOGO WITH FONTS

Logos submitted with fonts MUST be converted to outlines or the customer will be responsible for providing the specific font files along with the artwork.

## 5. ESTIMATED PRICING \& TIME FRAME

Presentation Box not only imprints your packaging for FREE, we offer one FREE Print Die on your first order over $\$ 250$. There is a one-time charge of $\$ 60-85$ per size die for customers purchasing a die for the first time. Die fees also apply to existing customers with a NEW logo.

## WHAT HAPPENS NEXT:

1. VISUAL CONFIRMATION

Art files are checked by our staff for suitable file format and quality. If there is any problem with the file, you will be notified as soon as possible that new art is required. Any delays in sending replacement files may result in delayed production of your order.
PLEASE NOTE. If the logo submitted for a new die is not vector, or are not able to obtain a vector file of the logo, Presentation Box \& Display will charge a $\$ 40$ per hour art charge in order to convert the file to Vector artwork. Additional fees may also apply if further revisions are needed.

## 2. LOGO SIZING

Our staff will work with you to suggest a size for the best fit within the inside lid of the jewelry box, pouches, inside top flap of pearl folders and tote bags. Below are 3 of the most commonly used.
SMALL Die: $11 / 4^{\prime \prime}$ wide. Use this die for your smaller boxes and pouches. Avoid small type and excessive information or imprint will appear hard to read. $\$ 60$
MEDIUM Die: $13 / 4^{\prime \prime}$ wide. Use this die for boxes such as bracelet, pendant and Multi-Use, to name a few. $\$ 85$
LARGE Die: $23 / 4^{\prime \prime}$ to $33 / 4^{\prime \prime}$ wide. Perfect for those larger items such as necklace boxes, tote bags and pearl folders. $\$ 100$

## 3. DIGITAL PROOF

We will send you a black \& white digital proof to size to approve before die production. We will ONLY proceed to make a new die upon your approval of the digital proof.
4. PRINTING

Our method of printing is Hot Stamping, as a result your logo can only be printed using one color. Our stock foils are Gold and Silver. Other foil colors may be available, contact your customer service representative for details.
